

## Laudato Si' – Pledge Board

Boil minimum of water in kettle

Walk or cycle on short journeys rather than use the car

To keep my speed down (eg: 50mph on Long Ashton bypass)

Not to fly next year

To insulate our new home to waste less energy

To turn off the lights when I leave the room

To turn off taps

To make our new garden bird and insect friendly

Reduce the church gas bill

To recycle as much as I can

To bring my electronic newsletter to church so as not to take a printed copy

Use greener cleaners

Create a St Francis' shrine in my garden

Not to waste water and food

To be grateful for what I have

Invest in community solar energy

Use public transport

Buy biodegradable products

Turn off plugs/lights when not in use

Eat less meat

To just buy the food I need

To give thanks for the fruits of the earth before each meal
